Nestled in the foothills of the magnificent Great Smoky Mountains, The Sevierville Golf Club offers the services, amenities, and presentation of a high-quality private club on a daily fee basis.

Formerly known as Eagle's Landing Golf Club, The Sevierville Golf Club features two 18-hole championship courses: The Highlands, a par 70 that winds through lush rolling hills and fresh water mountain ponds and The River, a par 72 playing along and across the Little Pigeon River. Additional amenities include a covered pavilion area, and an extensive driving range with grass tees, expansive putting green as well as a chipping area and practice bunker to help work on and fine tune your game.

After enjoying your day on the links, we invite you to extend your time by having a refreshing cold beverage in our "Bogies" Lounge or a relaxing and satisfying meal overlooking the golf course and the Little Pigeon River in the "Mayor's Office," both of which are located in our new club house. You will be impressed with our menu, which showcase Chef Adam Tyler's culinary talents.

We are proud to say that our facilities are second to none, however, our people make us the "best in the Smokies!" Mark Wallace, General Manager and Head PGA Professional, heads a people sensitive staff, all of which have the heart to serve.

We invite you to come and experience The Sevierville Golf Club, "Best in the Smokies!"
